The guy on the lower right of the screen wasn't singing. Looking down the whole time. Is that the one antifa on the MAGA flight? Lol

Tears in my eyes. I know we have the SPIRIT on our side. The left doesn't sing, only screams. They don't create, they only destroy. Though the battle may be tough, my heart knows that Truth, Justice, and Freedom will prevail. Godspeed, pedes.

Yesssss all we need to do is sing while were losing our country. It will work so much better than violence. Ha guns? 2nd amendment? LOSERZZZZZZ. I sing to the police and congress, I sing to my enemies. And thats why the right always wins. Praise Jesus. Thank you.

shut the fuck up you idiot, where are the enemies on the plane?

song is a major part of morale boosting, if you weren't such a bad pretender you'd account for that and you wouldn't make such a stupid comment.

High morale is essential for success in combat, survival, business endeavors, relationships, and yes, even the tedium of daily life.

All you've done in your four hours as a member here is berate folks for not being "hardcore" enough to improve their country, thereby hurting morale.

You pose as a friend here while you accomplish the objective of the enemy.

Soooo... fuck off.

The enemy would be encouraging you to continue on your path of pathetic inaction. Which is having a lovely barbeque at the capital and going home in a few days. Which you all seem adamant to do, so the left doesn't need to nudge you at all.

Uh, I'm pretty sure these people are heading somewhere, to, ya know, do something. And you can get the fuck out, go be alone and be miserable alone in fear in your closet like a leftist because no one is heeding your poor advice, or you can be a happy warrior who bolsters and inspires allies instead of tearing down

You keep referring to "us" as being different from you, so you admit you're not one of "us". I do not know who you are, whose flag you wave, or whose badge you wear.

And it is not immediately clear to me what your mission here on TD is today. Is it to inspire? If so, you have failed at that aim because of your condescension. Is it to admonish? If so, you have failed at that because you have not earned enough respect here to offer a corrective course that can be well-received.

You've chosen to bark at people and nip at us while we're out doing the work you deem too foolish for your sensibilities, and our only natural response can be "who the fuck is this guy?". You've garnered no connection here, no camaraderie, no rapport... totally ineffective. You would have done better to don a plastic Crusader outfit today and wave a Trump flag on your local street corner like the rest of us idiots. Anyway, you would have had more fun.

"Our" Commander-in-Chief said to vote, so we did. "Our" Commander-in-Chief said to urge our elected officials to make good on their Constitutional oaths, so we did. "Our" Commander-in-Chief said to show up in D.C., so we are.

If/when he says, "Fire!", we will. And our enemy's biggest mistake will have been to underestimate him and us both.

I don't know who "your" Commander-in-Chief is, but whoever it is, it sure ain't Donald J. Trump. So again, I can't understand why you're here at all, spending your day futilely commenting on other peoples' posts. Go out and find a MAGA barbecue, man... I think you need to get out of the house.

On the shore, dimly seen through the mists of the deep

Where the foe's haughty host in dread silence reposes,

What is that which the breeze, o'er the towering steep,

As it fitfully blows, half conceals, half discloses?

Now it catches the gleam of the morning's first beam --

In full glory reflected, now shines on the stream;

'Tis the Star-spangled Banner, O! long may it wave

O'er the land of the free and the home of the brave.

And where is that band who so vauntingly swore

That the havoc of war and the battle's confusion

A home and a country should leave us no more?

Their blood has washed out their foul footsteps' pollution.

No refuge could save the hireling and slave.

From the terror of flight or the gloom of the grave!

And the Star-spangled Banner in triumph doth wave
O'er the land of the free and the home of the brave.
O! thus be it ever when free men shall stand
Between their loved homes and the foe's desolation;
Bless'd with victory and peace, may our Heaven-rescued land
Praise the Power that hath made and preserved us a nation
Then conquer we must, for our cause it is just --
And this be our motto -- "In God is our trust!"

And the Star-spangled Banner in triumph shall wave
O'er the land of the free and the home of the brave.

Let the rifles ring and the bullets sing,
To the clash of the flashing sabre,
And as we march, through triumphal arch,
Whoe'er may swell the slaughter,
Our drums will roll from the Capitol,
O'er Potomac's fateful waters!
